

S&V ADAPTORS

Stainless steel self-sealing hose adaptors

The S&V adaptors from Pump House are a quick and easy method to connect a drain hose to a soil and vent stack. This product comes in packs of three, or as a single item. The design provides a perfect fixing point for 1/4" and 3/8" hose. Simply insert the rubber end of the adaptor into a hole, twist to secure and tighten, which forms a seal.

FEATURES

- Simply and easy to fit
- Made out of stainless steel
- Provides a fixing point for 1/4" (6mm) and 3/8" (10mm) hose to soil and vent pipes
- Available in single bags / packs of three
