

PRO-CARE-GB EVAPORATOR COIL CLEANER & DISINFECTANT

Pro-Care is an easy-to-use, evaporator coil cleaner and disinfectant that effectively removes soils and dirt from indoor coils to restore system performance and efficiency. Pro-Care contains a BS/EN compliant disinfectant containing both a bactericidal and fungicidal agent that will protect coils and hard, non-porous surfaces. Pro-Care, when used as directed, is effective against bacteria and fungi including:- MRSA, Legionella, Pneumophila, Pseudomonas Aeruginosa, Escherichia Coli, Escherichia Hirae, Aspergillus Niger and Candida Albicans.

Pro-Care can protect coils and drain trays for up to six months.

CONCENTRATED

FEATURES

- Concentrated and economical evaporator coil cleaning
- Disinfects while cleaning
- No rinse formula
- Deodorising formula
- Fast and effective at killing bacteria and fungi

INSTRUCTIONS

Wear eye and skin protection when mixing or applying product to avoid irritation. Turn off unit before cleaning. Mix 8 parts water with 1 part Pro-Care. Pro-Care should be diluted in a plastic container or low pressure sprayer and applied liberally to coil surface. Allow 5-10 minutes for solution to react and dissolve contaminants and provide initial coil protection. Pro-Care is self rinsing on evaporator coils.

DEODORISING: Apply a light spray of mixed Pro-Care into the air or onto air conditioner filters to remove odours.

SAFETY

CONTAINS: Alkyl dimethylbenzyl ammonium chloride: EC number 270-325-2

DANGER! Causes severe skin burns and eye damage. Very toxic to aquatic life. Keep out of reach of children. Read label before use. Do not breathe the mist, vapours, or spray. Wash hands thoroughly after handling. Wear rubber, nitrile or neoprene protective gloves and clothing, and safety goggles or face shield to protect face. Store locked up. Collect spillage. Dispose of contents and container in accordance with international and local regulations. Avoid release to environment.

FIRST AID: IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Immediately call your National Poison Centre information service or a doctor. For additional information, consult the Safety Data Sheet (SDS). **IF ON SKIN (or hair):** Remove immediately all contaminated clothing. Rinse SKIN with water or shower for a minimum of fifteen minutes. Immediately call your National Poison Centre information service or a doctor. Wash contaminated clothing before reuse. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call your National Poison Centre information service or a doctor.

Suitable extinguishing media for the surrounding fire should be used.

See Safety Data Sheet for further details regarding safe use of this product.
